President's Preamble

Hi Everyone,

Thank you all for your amazing Easter raffle donations, we hope you all enjoyed the delicious prizes. We hope you loved your Mother's Day gifts and managed some moments of peace and joy throughout the weekend. We are thrilled to be able to spoil a Mum with our special donations from our P&C members for our raffle - Thank You to those amazing members.

Our volunteer's register has been created and we encourage you to pop your name down at the office or contact me directly if you'd like to help out on some of our future events.

Over the next few weeks our Moonlight Market Stall Coordinators will be sending out information and requests for donations for their stalls. Please familiarise yourself with the stalls your children's classes have been allocated and see what you can do or where you can help because a little bit from each of you will make this big event happen successfully.

Last but definitely not least - today is P&C Day! I would like to acknowledge everyone from our committee members, our parents, our teachers, staff, cleaners, gardeners and our students. Thank you for all your amazing work in keeping our P&C running, your continued efforts are very much appreciated.

Our next meeting is Monday 12th June at 7pm at the School Staff Room and we welcome your attendance.

Kind regards
Ashlee Gibson - President

BIKE SHELTER

After being on the wish list for a long time, and a some hard work fundraising, the P&C was able to provide the school with a bike shelter!

Zac from Flair Timber and Steel was awarded the job which is also great because he is a Falls Road Father! Check out his work below!

FUNDRAISING

It's been a great start to the year with Easter and Mother's Day raising a total of \$1,146. Many thanks to all the donations of items and of course volunteered time.

Some of this hard earned money will be going towards funding the Year 5 students to attend a Constable Care Bike Safety school excursion to raise awareness of bicycle safety and improve road awareness.
