Challenge the Present – Create the Future

Dear Parents/Carers,

SCHOOL VOLUNTARY CONTRIBUTIONS AND CHARGES FOR 2023

Falls Road Primary Independent Public School Board has endorsed the schedule of Contributions and Charges (page 2) which details the maximum costs that you might incur throughout the school year. In addition, we have included details of the P & C approved Voluntary Fund and the costs for Student Requirements List.

1. SCHOOL VOLUNTARY CONTRIBUTIONS

The Board reviewed the voluntary contributions parents and carers are being asked to pay. They have decided on no increase and to maintain the contributions to \$50.00 for 2023 which is below the \$60.00 maximum set in the School Education Regulations 2000. The voluntary contributions are as follows:

Kindergarten per student	\$50.00
Pre Primary to Year 6 per student	\$50.00

The voluntary contributions collected will be used to supplement school expenditure in all the areas listed below. While Contributions are voluntary, the **quality** of our **teaching and learning program will be maximised** when **each family makes its contribution** to the cost of supplementing funding gained from other sources, including the State and Commonwealth Government.

Classroom Activities	Photocopying supplementary materials
English resource materials	Science resource materials
Health and Physical Education resource materials	Society and Environment resource materials
Languages other than English (LOTE)	Special Days
Library Book Supplementary	Technology and Enterprise resource materials
Mathematics resource materials	The Arts resource materials

2. P & C ASSOCIATION – APPROVED VOLUNTARY ADDITIONAL REQUEST

Other fundraising costs at Falls Road Primary School include a voluntary P & C Fund. This **contribution** is set at \$40.00 per family.

These funds provide the P&C Association with an opportunity to support a number of educational projects every year such as Matific Maths and the Literacy Planet by 50%. Other fundraising events will be held to raise funds for other school projects.

Payment for School Voluntary Contribution and the P & C Approved Voluntary Contribution can be made through the school Administration, online or with the Student Requirement List (if paid to Campion or online before the commencement of the school year).

3. CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

A breakdown of estimated charges for your child's participation in excursions, in school performances, activities, etc. for 2023 has been included in the schedule below. Details on charges collected in previous years have formed our 2023 charges schedule.

Students will only incur costs when they are involved in a particular activity. The amounts indicated on the schedule represent the **maximum charge** for scheduled activities in 2023. **You will be asked to make payment for each activity as it approaches or you can make a prepayment at the beginning of the year for applying credit when the activity takes place.**
