**NEWSFLASH**

**22 February 2023**

Dear Parents,

**PARENT INTERVIEWS – MONDAY 13 MARCH**

During the first 5 weeks of school, teachers will be conducting a range of assessments with students in their classes. This will give them valuable information on where their students are at and where they need to focus their strategies for improvement. This also gives them great information to enable them to differentiate their learning programs for different groups of students in their class. They will be able to share this information with you during the **Parent Interviews on Monday 13 March**.

**A reminder that school closes at 11.30am on this day.**

Please use this link on the Online Booking System to book a time with your child/rens teacher. Bookings are available from today until Thursday 9 March at 3.00pm.
